# About us...

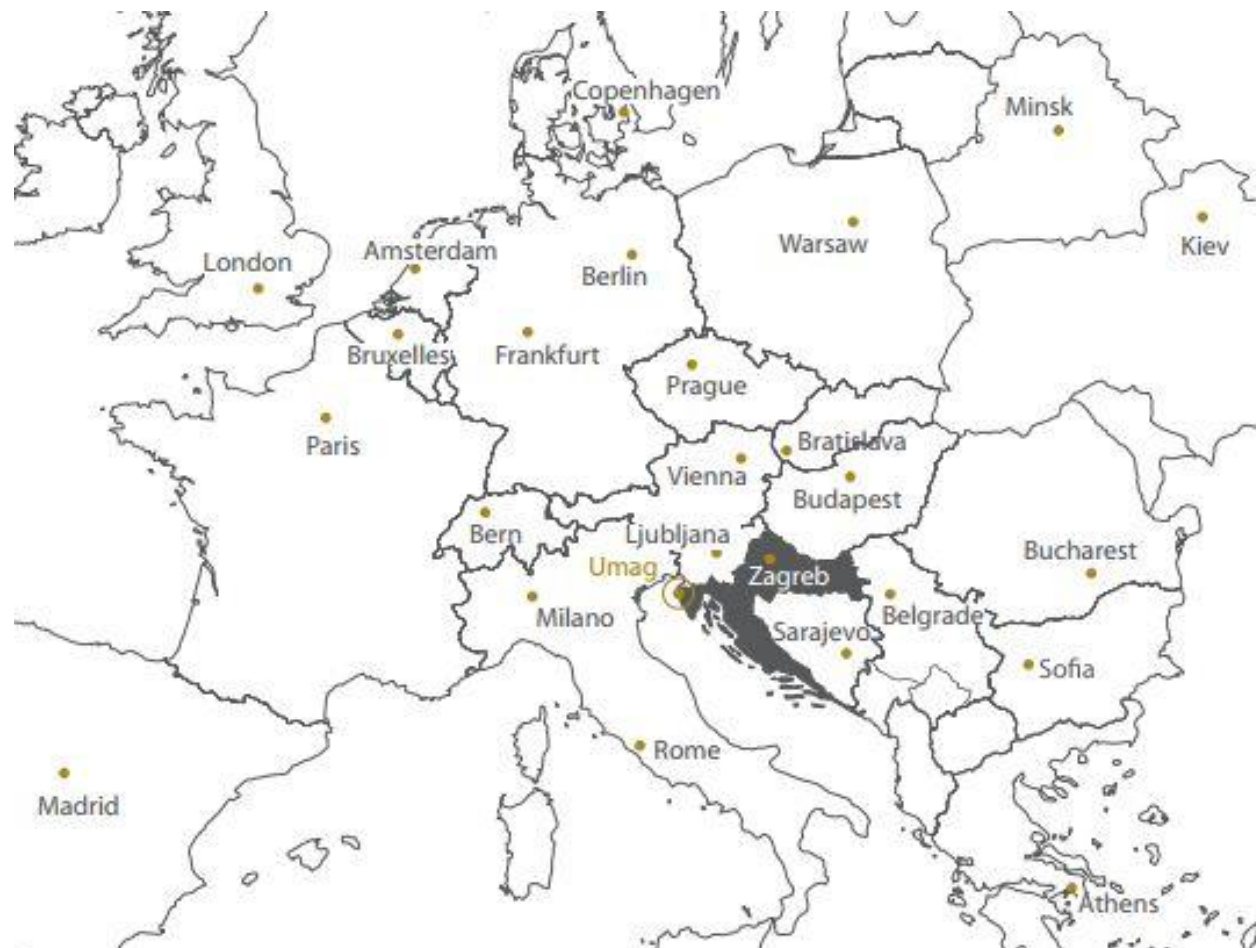

Istraturist Umag is a Croatian company with more than 50 years of tradition in offering travel services in its hotels, apartments and campsites. Istraturist's brand recognisability and success are the result of years of focus on high-quality tourism, a strong orientation towards environmental protection, and complete devotion to our guests. All Istraturist facilities are located along the nearly 40-kilometre coast of the Umag Riviera.

The goal of the company is to continuously improve the quality of its accommodation, develop amenities for sports, recreation and relaxation, and by doing so to actively contribute to the process of repositioning Istria and Umag as high-quality tourist destinations with a strong environmentally friendly orientation.
